AMENDMENTS AND RESPONSE

This is in response to the Office Action mailed on March 26, 2003. Applicant respectfully requests reconsideration of the claims in light of the following amendments and remarks. Applicant also notes that the Office Action Summary page appears to have a typographical error on it. According to Applicant's file and the Detailed Action portion of the Office Action, Claims 1-39 rather than 1-36 are currently pending.

(The remainder of this page is left intentionally blank.)
